Celebrating the Spirit of CARING AND GIVING.
A Message from Deborah A. Yancer

The year 2003 was a terrific one for Shady Grove Adventist Hospital. Some of the highlights include: our Emergency Department treated over 85,000 patients, 4,600 babies were delivered, the Women's and Children’s Center was introduced, and the Shady Grove Adventist Hospital Foundation raised $4.2 million in gifts and pledges. We could not have accomplished these goals without the support of you, our hospital family, our physicians and the community at large. Thank you for your part in making 2003 a record year for Shady Grove Adventist Hospital.

The success of 2003 enables us to look ahead to 2004 and beyond. The growing population in our community is placing health care demands on the hospital. And as the community grows, so must Shady Grove. After all, this is your hospital. As we look ahead, it is clear that an expansion is vital to continue the delivery of quality health care to our patients.

I am pleased to say that expansion plans are underway at Shady Grove Adventist Hospital that will allow us to provide enhanced and expanded services to our community. Shady Grove has been serving this area since 1979 and in its 25 years has continued to evolve in response to the growing community. Our latest expansion plans include an additional patient tower and more physical space for clinical services such as cardiac care, cancer treatment and emergency services.

Indeed, having adequate facilities is an extremely important part of serving the community. But it is only one part of the equation. The deeper foundation of our hospital lies within the physicians who facilitate the healing process, the nurses who comfort and care for patients, and the hospital staff who ensure that the environment is safe and clean and that patient needs are met. But, more than that, Shady Grove is also built on a foundation of support from our community. Shady Grove Adventist Hospital is a vital community resource that must be expanded to accommodate changing needs. I look forward to working with you on this effort.

The pages that follow recognize the generous people, groups and organizations that support the important work we do. It is through the support of donors such as you that we are able to grow and meet the health care needs of the community. Shady Grove Adventist Hospital is your hospital, and we thank you for allowing us to serve you.

Sincerely,

Deborah A. Yancer
President, Shady Grove Adventist Hospital
A Message from William Smith

It is my great privilege to thank you for your generous and thoughtful support of Shady Grove Adventist Hospital. Few places impact the well-being of so many people in our community as does Shady Grove. That's why, since its founding in 1979, the hospital has benefited from the unwavering spirit of caring and giving by community members such as you.

We're working hard to make sure this hospital is everything you need it to be, today and tomorrow — from meeting the needs of Montgomery County's rapidly growing population to staying on the cutting edge of technological advances in medicine.

The year 2003 was record-setting for the Foundation Office. The Shady Grove Adventist Hospital Foundation raised $4.2 million in gifts and pledges! We could not have reached this milestone without the support of you, our hospital family, our physicians and the community at large. Thank you for your part in this tremendous achievement.

Shady Grove Adventist Hospital also began a campaign in 2003 to support a hospital expansion, which will include a new tower and be home to an expanded Women's and Children's Center and Emergency Department, new surgical and operating rooms, and many more private rooms. The campaign, Building Greater Care Together, is chaired by Dr. Albert C. Simmonds. Dr. Gregory O. Dick and Clayton Foulger of Foulger Pratt serve as co-vice chairs. Actress Lynda Carter is honorary chairperson for the campaign. Total funds raised for the campaign (pledged and received in 2002 and 2003) have reached over $5.4 million!

In addition to the campaign, the Shady Grove Adventist Hospital Foundation raised funds to maintain and nurture this tradition of health care excellence on a day-to-day basis. Donations by individuals, families, corporations and foundations provide vital funding to help the hospital:

• Expand and upgrade facilities to serve our growing community.

• Purchase advanced, lifesaving medical technology.

• Develop new programs for everyone, from newborns to seniors.

• Continue its not-for-profit mission to deliver quality care through a ministry of physical, mental and spiritual healing.

In return for your support, you receive the heartfelt satisfaction that you’ve made a valuable contribution to the health of your community — both today and for generations to come.

Other achievements for 2003 included an outstanding golf tournament that raised an all-time high of $140,000 to purchase a bed-tracking system; and the employee CARE Campaign, which also raised an all-time high exceeding $88,000 to purchase new patient beds. We also received a bequest in excess of $1 million from the estate of Nancy T. Ackerman.

The year 2003 was truly remarkable. We are grateful for your support and continued commitment to the Shady Grove Adventist Hospital Foundation.

Sincerely,

William H. Smith
Chief Development Officer
President’s Circle of Friends

The President’s Circle of Friends is an annual membership club comprised of esteemed individuals and businesses who give $1,000 or more to the hospital in a calendar year. Members’ names appear on the Annual Recognition Plaque in the year following their donation. (Those who gave during 2003 will have their names on the plaque in 2004).

Benefits of becoming a member of the President’s Circle of Friends include: premier listing in the annual report, inclusion on the Annual Recognition Plaque, an invitation to the annual Donor Recognition Dinner, the popular crystal dish (with candy refills throughout the year), newsletters, invitations and other special information from the Foundation and hospital.

President’s Circle of Friends Thanked

The Foundation held its thirteenth annual Donor Recognition Dinner on October 8, 2003 at Congressional Country Club for members of the President’s Circle of Friends. These special donors made gifts of $1,000 or more to the hospital in 2002.

The evening featured comments by William G. “Bill” Robertson, president and CEO of Adventist HealthCare, Inc.; Deborah A. Yancer, president of Shady Grove Adventist Hospital; and Bill Schlossenberg, president of the Shady Grove Adventist Hospital Foundation Board.

Guests at the event had an opportunity to meet actress Lynda Carter, honorary chairperson of the Shady Grove Adventist Hospital Expansion Campaign. Additionally, the official campaign video, Building Greater Care Together, was previewed for dinner guests. Grateful former patients, as well as hospital family and physicians who participated in the video, were in attendance at the dinner. They included: Connie and Fred Kruelle, former patients; Dana and Jason Smith, former patients; Deborah A. Yancer, president of Shady Grove Adventist Hospital; Farid Srour, Shady Grove Adventist Hospital board member; Clayton Foulger, vice president of Foulger Pratt Companies; Dr. Gregory O. Dick and Dr. R. Marshall Ackerman.

Golf Classic Raises $140,000

The eighteenth annual Golf Classic, held at Indian Spring Country Club on June 2, 2003 was a huge success, with more than 260 players participating. On one of the few sunny days that spring, players enjoyed 18 holes of golf, a luncheon, a silent auction and dinner at the club.

Event organizers Teresa Witt and Jamie Ross were thrilled with the participation and reported that the event raised more than $140,000, an all-time high. These funds were used to purchase new electronic patient tracking equipment, which simplifies bed management by providing real-time, actual bed status and improves Emergency Department traffic. This is a much-needed piece of equipment that will benefit all of our hospital patients.

The tournament’s Platinum Sponsor, Greater Washington Anesthesia & Pain Consultants, PC, has committed more than $2 million in support of Shady Grove Adventist Hospital, including the golf tournament and a $1.5 million pledge to support the Expansion Campaign.

The Foundation extends thanks to all who helped make this event a great success, with a special thank you to our employees and the Radiological School students who volunteered for the day.
New Awards

The hospital received the Maryland "Workplace Excellence" Award Seal of Approval in 2002 and 2003.

Shady Grove Adventist Hospital received the Montgomery Chamber of Commerce Corporate Achievement Award in November, 2003.

Deborah A. Yancer, president of Shady Grove Adventist Hospital, was selected as one of Maryland's Top 100 Women for the year 2003. The annual award recognizes the professional, personal and community-based accomplishments of leading women across the state.

Shady Grove Scores High in Patient Satisfaction

In Shady Grove's 2003 patient satisfaction survey*, the percentage of patients who said they were "completely satisfied" with their care at the hospital exceeded the national average for inpatient and outpatient care and for the Emergency Department.

Foundation Enjoys Record Year

Shady Grove Adventist Hospital Foundation raised $4.2 million in gifts and pledges in 2003. ($3.6 million of this was raised for the Expansion Campaign.) We could not have reached this milestone without the support of you, our hospital family, our physicians and the community at large. This indicates a renewed confidence in hospital leadership and a shared desire that the hospital continue to grow and succeed. Thank you for your part in making 2003 a record year for Shady Grove Adventist Hospital.

In addition to physician support, Shady Grove Adventist Hospital received many other generous gifts in 2003. For example, the hospital was remembered by Nancy T. Ackerman with a bequest in excess of $1 million.

Shady Grove is grateful for the support we received in 2003, and we look forward to an exciting 2004.

Giving on the Rise

Philanthropic gifts to the hospital in 2003 topped the prior year, totaling $4,228,972 in pledges, cash and gift annuities. This represents an 83.5 percent increase over 2002 giving!

About half of the total was given by our “hospital family,” including employees, physicians, volunteers, the auxiliary, and hospital and Foundation board members.

KEY ACCOMPLISHMENTS IN 2003:

- The Expansion Campaign raised $3.6 million.
- The Golf Classic raised more than $1.4 million.
- Employees donated more than $88,000 to the C.A.R.E Campaign.
- The hospital acquired 961 new donors.
Shady Grove Plans to Expand

The campaign to support the expansion at Shady Grove Adventist Hospital is finally here! From the day Shady Grove first opened its doors in 1979, our hospital has worked with diligence and commitment to serve the demanding health and medical needs of our dynamic community. The number of people who depend on Shady Grove’s care has soared to over 900,000. By 2020, the county’s population is expected to exceed 1,050,000. Shady Grove must expand to serve our growing population.

The Expansion Campaign — Building Greater Care Together — is vital to continue the excellent care and service Shady Grove has been delivering to our patients over the past 25 years. With the support of our hospital family, physicians, corporations and the community at large, we are focused on raising funds to support the expansion. In 2003, the Expansion Campaign raised $3.6 million.

With the guidance of the Expansion Leadership Steering Committee (see list at right), we will pursue the advancement of Shady Grove Adventist Hospital and its mission to provide excellent health care service to the people of our region. We thank our committee members for their hard work and to all those who supported the campaign effort in 2003.

Expansion activities in 2003 included the creation and launch of the video, Building Greater Care Together. Shady Grove staff, physicians, patients and Honorary Chairperson Lynda Carter donated their time and energy to make this wonderful video.

Planned Giving at Shady Grove

Shady Grove Adventist Hospital’s Planned Giving Program features and encourages a variety of giving vehicles, including bequests, gift annuities, life insurance and charitable trusts. The Foundation strives to simplify, personalize and customize planned giving opportunities to meet each individual’s interests and needs. Several of the planned giving vehicles offer a donor the opportunity to make a gift and receive lifetime income from the gift. Planned gifts can also provide significant tax benefits.

THE HERITAGE SOCIETY

The Heritage Society was established to recognize and honor those individuals who include Shady Grove Adventist Hospital in their estate plan through bequests, gift annuities, life insurance and/or trusts.

RECOGNITION

For your thoughtful and loving membership in the Heritage Society, your name will be listed on the Shady Grove Heritage Society plaque that will be prominently and permanently displayed at Shady Grove Adventist Hospital.

Heritage Society members will be invited to an annual recognition luncheon. The luncheon will acknowledge and thank Heritage Society members personally and presently, rather than posthumously.

Each year, we will welcome new members and reiterate our appreciation to all society members.

C.A.R.E. Campaign Raises More Than $88,000

The 2003 C.A.R.E. (Caring, Acting, Responding Employees) Campaign was a huge success. Starting in October, employee contributions surpassed all goals and raised over $88,000. The funds will be used to purchase 10 new hospital beds. The committee extends a special thank you to Teresa Witt, Jamie Ross and Marie Martins, who worked tirelessly to raise the funds.

Workplace Campaigns: United Way and Combined Federal Campaign

Shady Grove has participated in the Combined Federal Campaign of the National Capital Area since 1993, and began participating in United Way workplace campaigns several years later. The campaigns are traditionally held in the fall and offer employees working in the capital area the opportunity to contribute to the organization of their choice through payroll deduction.

In 2003, $10,276 was donated to Shady Grove Adventist Hospital through workplace campaign payroll deduction, a 25 percent increase over last year. Since 1993, $65,681 has been given to the hospital through these campaigns.

- In addition, the volunteers of Shady Grove Adventist Hospital celebrated National Volunteer Week, April 18-24, 2003.

One of our many hard-working volunteers is Frank Hansing, who has been a volunteer at Shady Grove Adventist Hospital since 1992. In nearly 13 years of service, Frank has made more than 15,000 thank you calls. He personally calls every person who makes a gift to Shady Grove.

In addition to volunteering his time to the hospital, Frank is active with his church and the Boy Scouts. He also participates in the Alzheimer’s Association and the Shriners.

Frank served in World War II, joining in 1942. He trained troops in England for the Normandy Invasion. He returned to the U.S. in 1945 and remained in the Naval Reserve.

Frank attended graduate school, earning a Master of Science degree in agricultural economics. He began a career with the U.S. Department of Agriculture and earned his Ph.D. in 1954. In 1969, Frank retired from the Department of Agriculture and joined NASA to develop a national scholarship program for training students at the Ph.D. level at major universities across the U.S.

Frank retired from NASA in 1982 and began volunteering full time at Shady Grove in 1992. Unfortunately, he became ill in July 2003 and has been unable to keep up with the thank you calls at his usual pace. We wish Frank a very speedy recovery and hope he will be back making calls in no time.

Hats off to Frank Hansing and all the volunteers for their hard work, dedication and commitment to Shady Grove Adventist Hospital and the community.

Thank you to Frank Hansing for more than eleven years of service.
Partnership with the Community

Shady Grove Adventist Hospital established new partnerships with several of our neighbors in 2003. We are grateful for their support and look forward to a continued relationship in the coming years.

RISTORANTE AMADA AMANTE

A special partnership was created between Ristorante Amada Amante, its Chef/Owner Phil Burleson, and Shady Grove Adventist Hospital Foundation. This partnership aims to raise $5,000 annually to benefit the Pediatric Department at Shady Grove Adventist Hospital.

The cash donation is being raised by designating a selection of menu items and earmarking 50 percent of the price for the Shady Grove Adventist Hospital Foundation. If sales of these menu items generate more than $5,000 per year, the total amount will go to the fund.

Amada Amante is Phil Burleson’s second venture in Montgomery County. He is also chef/owner of the popular casual Italian restaurant Agrodolce in Germantown. With Amada Amante, he offers an upscale, “downtown” dining experience featuring foods and flavors of the Mediterranean. Amada Amante is located at 9755 Traville Gateway Drive in Rockville.

SAFEWAY

Shady Grove Adventist Hospital was named the Charity of Choice by Safeway’s Fallsgrove store, located on Shady Grove Road across from the hospital. Safeway raised nearly $800 for Shady Grove in 2003. These funds will be used towards the purchase of an infant transport incubator for the Neonatal Intensive Care Unit.

2003 Donor Report
WAYS TO GIVE

There are a number of ways you can give to the hospital. If you are not sure which way is most appropriate, a member of the Foundation staff would be happy to confidentially discuss the various options with you.

GIFTS OF CASH

Cash gifts have immediate impact, supporting existing programs and services and helping the hospital develop new ones. Cash, checks, money orders, and VISA and MasterCard are accepted.

WILLS/BEQUESTS

Remembering Shady Grove Adventist Hospital in your will is the most frequently used method of planned giving. If you have already written a will and later decide to include the hospital as a beneficiary, your lawyer can make the addition with a codicil.

GIFT ANNUITIES

Of all the gifts that may benefit you with a life income, a gift annuity may be the simplest and most affordable. It provides a lifetime income with a fixed, attractive payout rate and tax deduction savings. The gift annuity is commonly funded by cash or securities.

Sharing the Gift of Good Health: How to Make a Gift

Thousands of people each year share the gift of good health with family, friends, and neighbors by making contributions to Shady Grove Adventist Hospital. Some prefer to support a particular program. Others make undesignated gifts, knowing that they will be used for the most urgently needed equipment, programs and services.

Gifts of all kinds have the power to save lives. Whatever the amount or form of your contribution, you are ensuring that Shady Grove Adventist Hospital continues its tradition of providing excellent, innovative, family-centered health care for our community.

CHARITABLE TRUSTS

Establishing a trust allows you to make a significant gift to the hospital, receive a life income for yourself and/or another beneficiary, and increase your income. Also, by placing appreciated securities into the trust, capital gains tax is completely avoided.

SECURITIES

Donors who choose to make outright gifts of appreciated securities avoid capital gains tax and are credited for the full fair market value of the gift.

REAL PROPERTY

A donor may contribute appreciated real estate — such as a residence or a farm — and avoid capital gains tax while making a significant gift to the hospital.

BARGAIN SALE

The Bargain Sale is a method whereby a donor can sell appreciated property to the hospital at a price fifty percent or lower than the property’s fair market value and receive a tax deduction for the difference.

LIFE INSURANCE

The gift of a paid-up policy to the hospital can be a significant donation. The cash surrender value of the policy may be recognized as a charitable gift. Or a donor can purchase a policy and designate the hospital as the irrevocable owner and beneficiary. In this case, the donor’s annual premium payment becomes a charitable contribution.

TRUST AND INSURANCE

A donor can also benefit by combining these two modes of giving. The donor can establish a charitable trust and take out a life insurance policy for the dollar value of the trust. The donor receives lifelong income from the trust. At the donor’s death, the trust’s principal goes to the charity and the life insurance proceeds go to the donor’s beneficiary. Both the hospital and the donor’s family can benefit from this arrangement.

LIFE ESTATE

You can donate your personal residence now and continue to live in your home for your lifetime, with the hospital receiving the residence thereafter. The donor receives a present tax deduction for this deferred gift.

COMMEMORATIVE GIFTS

If you wish to honor or remember a loved one in an enduring way, Shady Grove offers permanent plaque recognition for gifts of $50,000 and above. Smaller commemorative gifts may be made simply by sending a note with your gift to indicate whom you wish to honor or memorialize. The family or loved one will be notified of your thoughtful gesture.

A gift “in lieu of flowers” is also a meaningful way to make a memorial gift to Shady Grove.

NAMED FUNDS

With a gift of $100,000 or more, you may establish an endowed or current-use fund in the name of a loved one. Foundation staff can discuss details with you.
