OUR Journey of Caring CONTINUES

Celebrating a Quarter Century of Care
In 2004, we celebrated a wonderful year of commemoration and growth for Shady Grove Adventist Hospital. We proudly paid tribute to the important role that Shady Grove has played in its community for the last quarter of a century.

Much has changed since Shady Grove Adventist Hospital first opened its doors in 1979. Today, the community around us is experiencing unprecedented growth. While we spent time celebrating our first 25 years in 2004, we also took important steps to prepare our hospital for the future. We solidified plans to expand Shady Grove Adventist Hospital so that we can continue meeting the growing health care needs of our community. Construction plans were completed for a new, state-of-the-art, four-story patient tower, which will include 144 new private patient beds as well as increased space for several of our clinical programs, including mother-baby, emergency, oncology and surgical services. Our success and growth — both in the past and in the future — would not be possible without the continued support of our physicians, staff, volunteer community, and you, our generous donors.

As we grow, we continue to build on our commitment to our employees and the environment that we create for them. In 2004, we celebrated our third consecutive “Workplace Excellence” Seal of Approval from the National Work-Life Alliance. This award pays tribute to the steps that we continue to take to help our employees, physicians and volunteers achieve a work/life balance.

At Shady Grove, we are constantly looking for ways to improve our delivery of health care. Over the past year, we made enhancements to our hospital that allow us to continue providing the best possible health care to our community — today and in the future. Here are a few examples of changes begun in 2004:

- Implementation of new systems to improve patient flow through the hospitalization process, which lead to decreased length of stay and improved satisfaction among our patients;
- Completion of a six-bed psychiatric emergency unit to provide the safest and most efficient care for behavioral health patients;
- Construction of a separate waiting area in the Emergency Department lobby for patients with flu-like symptoms to help prevent the spread of illness;
- Addition of new systems to improve medication delivery, communication with nurses and other areas of patient care.

We are proud that our work to improve the quality of care at Shady Grove Adventist Hospital was recognized this year by Washington Families magazine, which named us one of the area’s best hospitals for families for the second year in a row.

Over the past year, your unprecedented generosity has helped us in our mission to deliver excellent health care through a ministry of physical, mental and spiritual healing. We are pleased to recognize you — individuals, groups and organizations who have supported our important work. This is your hospital, and we thank you for being a part of our health care family.

Sincerely,

President, Shady Grove Adventist Hospital
It is my great privilege to thank you for your generous and thoughtful support of Shady Grove Adventist Hospital. Few places impact the well-being of so many people in our community as does Shady Grove Adventist Hospital. Since its founding in 1979, the hospital has benefited from the unwavering spirit of giving and caring by generous community members.

Today, 25 years later, we’re working hard to make sure this hospital is everything you need it to be, today and tomorrow — from meeting the needs of Montgomery County’s rapidly growing population to staying on the cutting edge of technological advances in medicine.

The Shady Grove Adventist Hospital Foundation marked another phenomenal year in 2004, raising $3.873 million in gifts and pledges! ($3.6 million was raised to support the expansion project and an additional $273,000 was raised to support other hospital projects.) We could not have reached this milestone without the support of you, our hospital family, physicians and a strong commitment from the community at large. Thank you for your part in making 2004 a record year for Shady Grove Adventist Hospital.

In 2004, Shady Grove continued its campaign for expansion, which will include a new tower and be home to an expanded Mother/Baby Unit and Emergency Department, as well as new surgical and operating rooms and many additional private rooms. The campaign, Building Greater Care Together, is chaired by Dr. Albert C. Simmonds. Dr. Gregory O. Dick and Clayton Foulger of Foulger Pratt Companies serve as co-vice chairs, and Lynda Carter is honorary chairperson (see page 21 for further details). Total funds raised for the campaign, pledged and received 2002-2004, exceeded $8.6 million!

In addition to the campaign, the Shady Grove Adventist Hospital Foundation raises funds to maintain and nurture the tradition of health care excellence on a day-to-day basis. Donations by individuals, families, corporations and foundations provide vital funding. In 2004, with funds raised through the Foundation’s efforts, Shady Grove Adventist Hospital was able to:

- Purchase one new Giraffe omni bed for the Neonatal Intensive Care Unit
- Purchase new bed monitors for Intensive Care Unit patients
- Renovate a Palliative Care Room in the Oncology Department
- Support the breast cancer screening program
- Purchase new sonogram machines
- Purchase a new neonatal monitor
- Help build an Emergency Psychiatric Treatment Unit

Please know that your support translates to a valuable contribution to the health of your community — both today and for generations to come.

The year 2004 was filled with other celebrations as well, including the 19th Annual Golf Classic, which raised $144,000; the employee C.A.R.E. campaign, which raised an all-time high of over $434,000 (over four years); and an anonymous pledge of $1 million.

The generosity of our donors is the reason for the Foundation’s success. We are grateful for your support and continued commitment to the Shady Grove Adventist Hospital Foundation.

Sincerely,

Chief Development Officer
The Shady Grove Adventist Hospital Foundation held its 14th Annual Donor Recognition Dinner on October 12, 2004 at Congressional Country Club for members of the President’s Circle of Friends. These special donors made a gift of $1,000 or more to the hospital in 2003. Through the generosity, support and energy of our donors, our Campaign Steering Committee and board members, the Foundation raised over $8.6 million for the Expansion Campaign.

The evening featured words from Sue Palka, WTTG FOX 5 meteorologist, the evening’s guest speaker; William G. “Bill” Robertson, president and CEO of Adventist HealthCare, Inc.; Deborah A. Yancer, president of Shady Grove Adventist Hospital; and Anne Kline, president of the Shady Grove Adventist Hospital Foundation Board.

For the second year, a presentation of recognition awards was included in the evening’s program: The President’s Award for Outstanding Corporate Contribution was presented to Foulger-Pratt Companies. This award recognizes a corporation for its commitment, service and generosity toward the advancement of Shady Grove Adventist Hospital. The Foulger-Pratt Companies demonstrated their commitment with Clayton Foulger’s willingness to serve as the co-vice chair of the Campaign Steering Committee and with a lead corporate gift to the campaign. Clayton and the Foulger-Pratt family are not only friends of the hospital but are also neighbors, living within a short distance of Shady Grove Adventist Hospital. They have grown to recognize and appreciate the importance of receiving quality health care from their local, community hospital.

We are grateful for their commitment of service and support of Shady Grove.

The Heritage Society Award was presented to Doris B. & Sydney Fishman (see photo on page 7). The Heritage Society recognizes individuals who include Shady Grove in their estate planning through bequests, gift annuities, life insurance and/or trusts. Doris has served on the Foundation board since 1983. Together, Doris and Syd have demonstrated a dedication to promoting the advancement of the hospital through many avenues. Setting an example for many to follow, they were the first gift annuity participants.

The Lifetime Giving Award was given to Farid and the late Kathleen Srour. Farid and Kathleen Srour supported and served the hospital since its inception 25 years ago. Their ongoing support, dedication and true concern for people in need have been demonstrated through their continued support and service. Farid has served on the Foundation board since 1982.

The President’s Award for Outstanding Corporate Contribution was presented to Foulger-Pratt Companies. Shown are: Deborah A. Yancer, President, Shady Grove Adventist Hospital; Clayton Foulger, Principal, Foulger-Pratt Company; Brent Pratt, Principal, Foulger-Pratt Company; William H. Smith, Chief Development Officer; and Anne Kline, President, Shady Grove Adventist Hospital Foundation Board.

The Heritage Society Award was presented to Doris B. & Sydney Fishman (see photo on page 7).

The Lifetime Giving Award was given to Farid and the late Kathleen Srour. Pictured are Deborah A. Yancer, President, Shady Grove Adventist Hospital; Farid Srour; William H. Smith, Chief Development Officer; and Anne Kline.

The President’s Circle of Friends is an annual membership club comprised of esteemed individuals and businesses that give $1,000 or more to the hospital in a calendar year. Members’ names appear on the Annual Recognition Plaque in the year following their year of giving. (If you gave during the 2004 calendar year, your name appears on the plaque in 2005.) Benefits of becoming a member of the President’s Circle of Friends include: premier listing in the annual report, inclusion on the Annual Recognition Plaque in the hospital, an invitation to the annual donor recognition event, the popular crystal dish (with candy refills throughout the year!), newsletters and other special information from the Foundation and hospital.

2004 Donor Report
The President's Award for Outstanding Physician Contribution went to First Colonies Anesthesia Associates. This award recognizes an individual physician or a physician group for faithful, consistent and significant financial support of charitable programs at Shady Grove. First Colonies raised the bar in 2003 with the largest commitment ever made to the Expansion Campaign. The practice’s leadership, vision and commitment to Shady Grove is extraordinary.

Guests at the event enjoyed an opportunity to mingle with Sue Palka, view the campaign video, Building Greater Care Together, and enjoy a beautiful fall evening. The Shady Grove Adventist Hospital Foundation is grateful to all of our donors and dinner attendees for making the evening so special.
Cumulative Giving

This list includes donors who have given a cumulative total of $50,000 or more to Shady Grove Adventist Hospital. Their significant commitment has improved health care for current and future generations in Montgomery County and beyond. Corporate matching gift programs provide individuals the opportunity to double or even triple their financial support to Shady Grove Adventist Hospital. An individual who works for a company with an employee matching gift program obtains the appropriate form from his or her employer and sends it with a contribution to the Shady Grove Adventist Hospital Foundation. After verification from the Foundation that a gift was received, the employer sends a matching gift to the Shady Grove Adventist Hospital Foundation. The matching gift is used for the same purpose for which the individual gift was given.

The year 2004 marked the 25th anniversary of Shady Grove Adventist Hospital. It was a wonderful year of commemorations, which included the community celebration on September 12, the hospital party on December 2, a gift to all babies born on the 25th of each month, and a special gift to the first baby born on December 2, the anniversary date.

During 2004, Shady Grove Adventist Hospital:

- Began providing vascular ultrasound services in-house, following 20 years of outsourcing this service
- Opened a six-bed psychiatric emergency unit
- Experienced success with the Short Stay Unit's first year of operation, and thus created greater inpatient capacity for higher-need patients
- Achieved a significant milestone for the vascular team when Dr. Frederick Beavers and Dr. Robert Fox repaired a ruptured abdominal aortic aneurysm laparoscopically
- Was awarded three-year full accreditation from JCAHO

Additionally:

- Approximately 4,600 babies were delivered
- Over 84,000 patients were treated in the Emergency Department
- The Pediatric Emergency Department treated 25,000 pediatric patients
- Also, 615 uninsured and low-income women received a mammogram through the Shady Grove Adventist Hospital Breast Cancer Screening Program
The Foundation office is blessed to have wonderful volunteers help us with our mission of raising funds to support Shady Grove Adventist Hospital. Linda Warren is a prime example.

Linda, a Shady Grove volunteer for three years, assists the Foundation office approximately once a week with thank-you calls to our generous donors. If you have recently supported the hospital, you may have received one of Linda’s upbeat and energetic calls. When she is not making calls for the Foundation office, she can be found helping at the first floor information desk or in the Evergreen Waiting Lounge. On Fridays, you can find Linda clowning around in the halls of the hospital as Mootsie the Clown. No matter what she is doing, she brings energy and joy to those around her.

Linda was born in San Francisco and was raised all over the world, including Kaiserslautern, Germany; Okinawa, Japan; Texas; Michigan, Georgia, Florida and Maryland. As a graduate of Florida State University, Linda joined the Navy (after growing up in an Army family) and made it from Orlando to Bethesda. Prior to volunteering at the hospital, Linda was a Navy nurse and worked for 32 years at the Montgomery County Department of Health and Human Services in a variety of positions.

Community service is very important to Linda. In addition to volunteering at Shady Grove, she also volunteers at the Montgomery County Sexual Assault Program and helps with victim assistance. Additionally, Linda is a member of the Rockville Lions Club.

Linda, like all of Shady Grove’s volunteers, contributes to making our hospital a wonderful place to work. Thank you to all of our volunteers for your time and commitment to Shady Grove Adventist Hospital!

The 2004 C.A.R.E. (Caring, Acting, Responding Employees) Campaign was a huge success. This year's campaign surpassed all goals and raised over $434,000 (pledged over four years).

The C.A.R.E. Campaign, which started in early October, 2004, will support the expansion at Shady Grove Adventist Hospital. Due to its success, the campaign has been extended — its new goal for 2005 is $500,000.

The Clinical Education Fund was established to review applications and disperse funds to the nursing and allied staff of Shady Grove Adventist Hospital. This fund is supported by donations from physicians and others and provides support for seminars, certifications and conferences to advance the professional growth of nursing and allied staff. In 2004, the fund sponsored over 150 staff members for a total of $54,000 in educational grants.

We would like to especially thank those who gave to the Clinical Education Fund in 2004. Your support truly makes a difference.
From the day Shady Grove Adventist Hospital first opened its doors in 1979, our hospital has worked with diligence and commitment to serve the demanding health and medical needs of our dynamic community. The number of people who depend on Shady Grove’s care has soared to over 900,000. By 2020, the county’s population is expected to exceed 1,050,000. Shady Grove must expand its facilities to serve our growing population.

The Expansion Campaign, Building Greater Care Together, is vital to continue the excellent care and service Shady Grove has been delivering to our patients for the past 25 years. With the support of our hospital family, physicians, corporations and the community at large, we are focused on raising funds to support the expansion. The campaign had another terrific year in 2004, raising $3.6 million.

Since 2002, the campaign has raised $8.6 million in gifts and pledges. We could not have reached this milestone without the support of our physicians who have collectively pledged over $4 million.

The funds raised directly support the hospital’s new tower, which will include 203,000 square feet of new and renovated space and be home to:

- An Expanded Emergency Department
- An expanded Mother/Baby Unit
- An enhanced state-of-the-art Neonatal Intensive Care Unit
- Renovated Oncology Unit rooms with four beds designated for palliative care
- An increase in the number of private rooms hospital-wide
- An enhanced Pediatric Intensive Care Unit
- Renovated and expanded surgical services

With the guidance of the Campaign Steering Committee, we will pursue the advancement of Shady Grove Adventist Hospital and its mission to provide excellent health care service to the people of our region. We thank our committee for its work and all those who supported the campaign effort in 2004.

Heritage Society

The Heritage Society recognizes and honors individuals who include Shady Grove Adventist Hospital in their estate plan through bequests, gift annuities, life insurance and/or trusts.

For your thoughtful and loving membership in the Heritage Society, your name will be inscribed on the Shady Grove Heritage Society plaque that is prominently and permanently displayed in the hospital.

Heritage Society members are invited to an annual recognition/appreciation luncheon. At the luncheon, we thank Heritage Society members personally and presently, rather than posthumously. Each year, we welcome new members and reiterate our appreciation to all society members.

If you have already named Shady Grove Adventist Hospital as a beneficiary in your estate plan, please contact the Foundation office. Shady Grove is very interested in thanking you for your thoughtfulness by making you a member of the Heritage Society.

Persons interested in further information about Heritage Society membership may contact the Foundation office at 301-279-6534 or www.adventisthealthcare/sgah/foundation.com.

Annual Golf Classic

The 19th Annual Golf Classic Event, held at Indian Spring Country Club on June 7, 2004, was a huge success! Over 250 players participated in the tournament. With great weather on hand, players enjoyed a luncheon, 18 holes of golf, refreshments, a silent auction and dinner at the club.

Event organizers Teresa Witt and Jamie Ross were thrilled with the participation and reported that more than $144,000 was raised. These funds were used to support the Oncology Department at Shady Grove Adventist Hospital.

The tournament’s Platinum Sponsor, First Colonies Anesthesia Associates, has committed more than $2 million in support — through the golf tournament and a $1.5 million pledge to support the Expansion Campaign. The hospital is grateful for First Colonies’ continued support of this wonderful event.

The Foundation also extends our thanks to all who helped make this event a great success, with a special thank you to our employees and the Radiological School students who volunteered for the day.

The Shady Grove Adventist Hospital Foundation’s sole purpose is to raise funds to support the hospital. The Foundation is committed to pursuing the advancement of Shady Grove Adventist Hospital, whose mission is to provide health care excellence and service to the people of our region. This enables Shady Grove, a not-for-profit community hospital, to meet the needs of our patients every day.

The Shady Grove Adventist Hospital Foundation office has been operating since 1981. In addition to raising funds to support the hospital’s operational needs, the Foundation is excited to support the hospital expansion. The number of people who depend on Shady Grove’s care has soared to over 900,000. By 2020, the county’s population is expected to exceed 1,050,000. Shady Grove must expand its facilities to serve the growing population.

The Expansion Campaign, Building Greater Care Together, is vital to continue the excellent care and service Shady Grove has been delivering to our patients over the past 25 years. With the support of our hospital family, physicians, corporations and the community at large, the Foundation is focused on raising funds to support the expansion and all other areas of the hospital.

In 2004 alone, the Foundation raised $3.873 million in gifts and pledges. This included funds raised through the C.A.R.E Campaign ($434,000), the 19th Annual Golf Tournament ($144,000 was raised to support the Oncology Department), and the Expansion Campaign (raised $3.6 million). The Foundation transferred $3 million of these funds directly to Shady Grove Adventist Hospital to help cover vital hospital needs such as purchasing equipment, upgrading services and renovating patient rooms.

Although Shady Grove is a not-for-profit institution, it is still necessary to demonstrate a profit on an annual basis. For every million dollars of net income generated, the hospital must earn about 20 times that amount in gross revenue. By raising funds on behalf of the hospital, the Foundation simply transfers funds directly to Shady Grove Adventist Hospital for needed programs, equipment and services on an as-needed basis.

The Foundation office is comprised of eight dedicated professionals who work hard to raise funds every day on behalf of Shady Grove Adventist Hospital. William H. Smith is the Chief Development Officer. Teresa Witt is the Director of Annual Giving. Dennis Boyle is the Director of Planned Giving. Natasha Muncules is the Director of Major Gifts. Sonny Clogg is the Senior Development Specialist. Celestine Manganaro and Marie Martins are Development Specialists, and Andy Wilks is the Executive Assistant.
Gifts In Tribute

Shady Grove Adventist Hospital Foundation’s Tribute Program offers a variety of ways to commemorate an important event or to remember and honor friends, relatives, and colleagues. A service or program important to the person being commemorated can be designated, or an unrestricted gift will be used where the need is greatest. The following Tribute gifts were received in 2004 and totaled more than $86,000.
