

Hospital charges are made available to the public in order to provide useful information to our patients and community regarding the cost of care for the most common inpatient and outpatient procedures performed at Washington Adventist Hospital. Please note that these are estimates and are subject to change. The actual cost of your procedure may be higher or lower based on your specific clinical needs. Hospital rates are set in compliance with the Maryland Health Services Cost Review Commission (HSCRC). This information will be updated on a quarterly basis and reflects actual charges for the 12 months ending September 30, 2017. Patients may request an estimate of charges for a specific procedure by calling the *Patient Access Department* at (240) 826-5427.
