Hospital Naming Opportunities

Conference Center Rooms
The conference Center will remain the hub to community health classes, youth education and many important classes offered not only to Shady Grove patients and staff, but also to the community at large. Conference Center rooms may be named individually.

Emergency Department Expansion/Waiting Area
The waiting area plays an important role both to patient and family members.

Exam Rooms
Because the physician-patient relationship is one of the most special aspects of Shady Grove Adventist Hospital, exam and consultation rooms are designed with privacy in mind and are of vital importance to our patients.

Hospital Tower
The new building will include 245 square feet of new or renovated space. The expansion will be the foundation for a new era in health care for our growing community. The new building will include 60 emergency room bays, 23 operating room suites, 90 recovery bays, an increase in private rooms and many other enhancements.

Healing Garden
Located in the courtyard of the new building, the Healing Garden will provide a haven for thought, reflection and healing for patients, visitors and staff alike.

Lobbies
Used constantly throughout the day, the lobbies are high traffic areas for both patients and staff. Beautifully decorated in paneled wood and with decorative artwork, the lobbies are warm, welcoming spaces that allow for easy access to clinics throughout the Hospital.

NeoNatal Intensive Care Unit (NICU)
   Giraffe Omni-bed
   Regular incubator: includes oxygen, humidity and in-bed scales

Nurse’s Area
Nurses’ stations are busy centers of activity where nurses and physicians conduct consultations and where the next steps for patient tests, procedures, and treatments are coordinated.

Private Suites
Provides for privacy and comfort for our patients.

Reception and Waiting Areas
These areas offer a space where family members can provide support to patients before and after testing or treatment. The design of reception areas illustrates the Hospital's commitment to treating the entire family and not just the individual patient. They are comfortably furnished and decorated with original artwork.

VIP Suites
Offering an enhanced, private room with additional amenities, including Internet access, special menu options, a large bathroom and additional seats and beds for the comfort of guests and visitors (for a premium)

Wayfinding Navigation System
An terrific opportunity to provide directions, maps and navigation for Hospital patients and visitors alike.

Women’s and Children’s Center
This new Center will be home to an enhanced state-of-the-art NICU, expanded Pediatric Department with 13 private pediatric beds and 48 private mother/baby rooms.
