

Adventist HealthCare Imaging, formerly, Shady Grove Radiology, has combined patient images and reports on to one PACS system, AHC McKesson Conserus. With one log-in, you can access radiology images and reports from all Adventist HealthCare facilities for both inpatient and outpatient care.

### Conserus PACS Access

For all studies, use your AHC PACS username & password to log-in at: <https://radcev.ahm.com>

### Attention!

Images and reports prior to November 28, 2016 will be available on the existing Iconnect Access (<https://access.shadygroveradiology.net>) until April 2017. However, images after November 28, 2016 will only be available on the Conserus PACS system.

If you do not have a log-in to the AHC PACS, please contact us at 301-212-4220 or via email at [dkramer@adventisthealthcare.com](mailto:dkramer@adventisthealthcare.com), so that we may assist you with new user enrollment or if you are unable to log-in to Adventist HealthCare PACS. Due to security, each user, provider or support staff in your practice is required to maintain a separate log-in and password.
